

Flow Control

Flexible Piping Systems

Corrugated Stainless Steel Single Braided Flexible Metal Hose.

- Falcon Flex Series 300

Construction

Type 304: Stainless Steel Tube
Type 304: Braid

Light Duty Pressure Hose - Technical Specifications

Nominal Hose I.D mm	Hose Type	Maximum Hose O.D. mm	Pressure Data			Minimum C/L Bend Radius		Approx. Weight Kg/M
			Maximum Working Pressure Bar @ 21°C	Maximum Test Pressure Bar @21°C	Minimum Burst Pressure Bar @21°C	Constant Flexing mm	Static Bend mm
